

Shift Team Leader – Holiday cover operator

A vacancy has arisen for a team leader (Bindery) to support an existing member of staffs shift. The role will include duties such as:

- Supporting, leading and managing a designated 'shift' within the Bindery environment to agreed performance and operational effectiveness measures, including ensuring that the work scheduled for the designated shift is achieved within the planned timescales and where possible any improvements on performance optimisation are achieved.
- Management of staff, ensuring we have the right crews on machines.
- Making decisions about production priorities and product quality.
- First Aid course

As the phone holder and responsible person on site your remit will be to oversee and make decisions on shift that ensure the efficient expedition of work, to a high standard and quality factoring scheduling, equipment, maintenance and resourcing constraints.

The company is seeking the skills of a competent and experienced Operator with an innate ability to identify and trouble shoot problems quickly, lead by example and set high standards and expectations in attitude, flexibility, performance and quality to others. The successful candidate must be prepared to transition from operator to leader when required to do so and be capable of making leadership decisions about personnel and production as they arise. This position will ideally suit a number 1 or number 2 Operator with a broad understanding and knowledge of numerous print finishing applications.
